3. Title*:

1. I, RAJIVKUMAR SHARMA, Son of VIJAYKUMAR SHARMA, Resident of Flat No.111, Raja Nagar, M.G.Road, Opp. SBI, Mulund West, Mumbai – 400081, do solemnly affirm and declare as under:

3. That VIJAYKUMAR is name of my father and which, as a matter of practice, in Maharashtra is normally added to the name and SHARMA is my surname and in Maharashtra many a time it is written first and some times it is written as last and hence the name in documents appear as mentioned above.

4. I hereby declare that both/all the name pertains to one and the same person i.e. RAJIVKUMAR SHARMA (Real Name)

5. That my Real NAME is RAJIVKUMAR SHARMA.

That it is my true and correct statement.

Verified at **Mumbai** on _____ day of _____ 2018

That the contents of the above said affidavit are true and correct to the best of my knowledge and belief and nothing has been concealed therein.

RAJIVKUMAR SHARMA

Note :This affidavit can be suitably amended as per one's facts and documents. The affidavit has to be notarised.

There is no need to put various document as annexures to affidavit as all documents are to be separately uploaded on IBBI website at appropriate place/s.

A scanned copy of above Affidavit is to be uploaded at Point No.35 Proof of Residence. Do not go by the title Proof of Residence, the Authority wants proof of your photo, your birth date and your permanent address and proof of your Correspondence address.

A PDF file of coloured scanned Aadharcard or Passport or Driving licence along with a PDF file of coloured scanned PAN Card for birthday proof is to be combined with a Scanned PDF file of above Affidavit and make it into one PDF file. Some forms were returned by authority with remarks "Birthdate not printed on Aadharcard" which was uploaded only as address proof. Also see that Aadhar Card Address is in English or Hindi or Both English and Regional language as one form was returned by the authority with remark "Address in address proof is in regional language"

5. Father's Name* :

Provide Father's Name in full as per document attached.

Name should be in Upper Lower Caps e.g. **Rajesh Suresh Shah** and not RAJESH SURESH SHAH.

6. Date of Birth* :

Use calender in the menu to provide your birthdate.

(Note: Upload your Aadhar Card / Pan Card containing your birthdate even if not asked for or required in the form at point No.35 ahead as few forms were returned by authority with remark that address proof / Aadhar does not contain birth date)

7. Place of Birth* :

Use drop down menu of state and provide state.

Use drop down menu of City and provide city.

(Note : This is the one of the very few information for which proof is not to be given, however member is requested to give most correct answer, in case the Authority in future decide to ask for providing the proof)

8. PAN No* :

Provide your correct PAN Number

9. AADHAAR No* :

Provide your correct Aadhar Number

10. PASSPORT No* :

Provide your correct Passport Number, if you have it.

11. Address for Correspondence :

a) Address 1*

b) Address 2

c) Address 3

Please do not repeat the address in Address 1, Address 2, Address 3 three times as it is to be read as Address Line 1, Address Line 2 and Address Line 3. Many forms have been returned by IBBI as many people repeated the address in all 3 lines.

Note : Give separate Address for correspondence only if **(repeat ONLY IF)** you have Government issued proof for correspondence address in your own name like Electricity Bill or Telephone Bill or Gas Bill or Municipal Tax Bill etc. otherwise give correspondence address same as your permanent address / residential address which is given on your Aadhar Card or Passport or your driving licence otherwise your application will be returned by the authority with remarks **"Provide proof for Correspondence Address"** thereby causing unnecessary delay.

Note :The authority has presently not accepted our contention that 95% of professional member's correspondence address property is not in the member's own name and that correspondence address property EITHER belong to member's other professional Associate or family member or landlord or other relatives and from where they conduct their profession or are comfortable to receive all the correspondence there, hence the name "CORRESPONDENCE ADDRESS". Hence you will see only about 4% to 5% of Registered Valuers have office address in the list displayed for Registered Valuers at the authority's website and rest are all residential / permanent address. Since the Authority, Insolvency Professionals, Banks and other Government offices will write all the official letters by Registered Post, Speed Post or Courier at the address displayed on authority's official website it may cause disturbance to privacy and peace of the family which a professional tries to guard and it may happen that many a times the urgent and important letter may be returned undelivered if both the husband and wife are working or the spouse has gone out for some work. Few enthusiastic clients may even turn up at home to meet the "Registered Valuer" who will obviously be at his office "Correspondence Address", again causing disturbance to the family. This is precisely the reason why high ranking official's only office address is given against their communication address and not their residential address. We request each member to write to the authority at their official email valuer@ibbi.gov.in or rvo@ibbi.gov.in and bring this difficulty to their notice. Only if the aggrieved Registered Valuer / RVO Member write to authority, the authority may realise the difficulty of a Registered Valuer. Hence every one must contribute their precious few minutes of time in writing to the Authority about above difficulty.

In fact all the Registered Valuers should write to the authority that the Address displayed on the Authority's Website is of their Residence and they do not want their residential address to be displayed on the website and they do not have government proof in their own personal name for their Professional address / Correspondence address hence authority should be requested to keep the Address column blank or write "Professional Address not provided".

12. State*:

Provide **State** of Correspondence address.

13. City*:

Provide **City** of Correspondence address.

14. Pin Code*:

Provide **Pin Code** of Correspondence address.

Permanent Address same as Correspondence Address

(If Yes, tick here If Not, provide below)

15. Permanent Address :

a) Address 1*

b) Address 2

c) Address 3

Please do not repeat the address in Address 1, Address 2, Address 3 three times as it is to be read as Address Line 1, Address Line 2 and Address Line 3. Many forms have been returned by IBBI as many people repeated the address in all 3 lines.

Note :Give Address as per Proof like Aadhar or Passport or Driving licence or other government proof which is in your personal name even if it is of your native place or of your village otherwise the form will be returned by the authority with the remark “The address provided is not as per the proof attached”. Many of our members living in city were left with no choice but to give their native place / village address as permanent address as the proof of address contains only their native place / village address. In absence of proof for correspondence address, the same address is also to be written in Correspondence Address and same shall be displayed on authority’s website and all the passing certificate and official correspondence from the authority shall be done on that address hence the family members living in native place / village should be adequately informed as to accept all the correspondence received from authority and other government offices.

16. State*:

Provide**State** of Permanent address.

17. City*:

Provide**City** of Permanent address.

18. Pin Code*:

Provide**Pin Code** of Permanent address.

a) E-Mail Address*:

Note: In case the member wants to register for more than one category of valuer like Land and Building/Pant and Machinery /Security and Financial Assets then the member should provide 3 different email address in his control i.e. one email for each class of assets. Hence a member should have upto 3 email IDs in his own control if he wants to register for all the 3 asset classes.

In case the member gets the error “Duplicate Email” or “Email already registered” or something similar and the website does not allow to proceed further and the member is sure that he has not provided that particular Email ID for any other asset class then the member should write an email from that email ID at deeptanshu.singh@ibbi.gov.in and webdev@ibbi.gov.in with cc copy to cvsrta.rva@gmail.com for the solution to this error giving the details like Enrolment number, name, mobile number.
